

From Greg Linton, President and CEO Secured Courier Limited

MAKING SOME CHANGES TO SERVE YOU BETTER!

EFFECTIVE MAY 16, 2019 Secured Courier Limited, Greenteam Courier, along with our Magazine Distribution, Fulfillment Operations and Pantry Catering Delivery Division will be operating under the new name of SECURED LOGISTICS INC.

It's time to bring all of these business units under one company finally so with that in mind we will be sending additional information your way in the next few weeks regarding some minor changes to our billing format, new banking remittance information and website. Nothing in the ownership, day to day operations or ordering processes is changing as this is simple a regrouping and consolidation of all business units into Secured Logistics Inc. Simplify is the key word here!

If you have any questions or concerns please feel free to contact me or Kirstan Soul here at 416-363-3278 or email us at glinton@securedcourier.com , ksoul@securedcourier.com
